

This is a brief introduction of Andy Chu,

Chu Chung Hang, a 26-year old positive and energetic university graduate with a Bachelor Degree of Business Administration (Finance and Marketing), over five years' experience in the Financial Planning

Discipline and most importantly, an aspiration to excel.

Well versed in Spoken and Written Chinese (Cantonese) and English, I am also able to master Putonghua and Korean which I studied on my own leisure time. Proficiency in Languages complemented by excellent communication skill no doubt enhanced my competitiveness amongst peer group. And my motto of “Always Strive for the Best” earned me respect amongst customers, sub-ordinates and superiors.

I have been a financial secretary in LMSCPSAA since seven years ago, this is a good chance for me to contribute to my love primary school.

Hoping to serve our school for longer period is my pleasure but cant
without your support.
